

# KEEP CALM THE 2026 SÁENZ REUNION IS COMING

## Rosalío Sáenz Family Reunion

The 2026 Sáenz Family Reunion will promote Unity, Connection and Family History with all Sáenz family descendants as a whole and amongst the twelve branches.

José María Rosalío Sáenz Rodríguez

The Rosalío Sáenz Family Reunion is a gathering of the offspring of Rosalío Sáenz and his first wife, Crispina Hernández, and his second wife, Petra Ramos. While Rosalío's children are no longer with us, following generations continue to meet every even year in cities across Texas.

Besides the gathering of family for socializing and learning family history, funds are raised for the Sáenz Family Scholarship. The funds are made up of individual and family donations, money collected from a silent auction and through various other activities held at each reunion.
